

American Society for Clinical Laboratory Science - South Dakota

"Spring Symposium" - Tuesday, April 9th 2013
"Education, Professional Updates & Networking!"

Avera Sacred Heart Hospital Pavilion
501 Summit, Yankton SD 57078

Supporting Sponsors: Avera Sacred Heart, Avera Lab Network,
Physician's Laboratory, LifeServe Blood Center, Roche Diagnostics

Program Schedule

(Session descriptions and objectives next page)

8:00-8:30	Registration
8:30-10:30	Human Genome Testing Thomas Buttolph, M.D. Medical Director Avera St. Luke's Laboratory Previously FDA medical officer, Genomics Evaluation Team for Safety
10:45-11:45	Obstetric Hemorrhage: Event Planning and Training Michael Kafka, M.D., LifeServe Blood Center
12:00-1:00	Lunch & Learn: ASCLS Updates Robert Jenson, ASCLS-SD President
1:00-1:30	ASCLS-SD Annual Meeting - Elections & Awards Raffle to Raise Funds for Student Scholarships
1:30-3:30	Vampires @ Work: Making good relationships better! Kostas Voutsas, Professor of Business at Dickinson State, Bismarck Campus

ASCLS-SD is approved as a Provider of continuing education programs in the clinical laboratory sciences through the ASCLS P.A.C.E.® program. P.A.C.E credits will be awarded for sessions attended

<u>Registration Fees:</u>	ASCLS Member	\$45	Student ASCLS Member	\$10
	Non-member	\$65	Student Non-Member	\$25
	Late Fee After 4/1:	\$ 5		

Mail Registration Form & Fee To: Doris Heilman
Pre-Registration is Required 3708 Staci Lane
Yankton, SD 57078

Registration Deadline: **Pre-Registration is Required**
Registrations must be postmarked by April 1st, 2013
\$5 late fee applies after 4/1/13

Meeting Questions: Doris Heilman (E) DHeilman@avera.org (W) 605-668-8169
Warren Erickson (E) WErickson@avera.org (W) 605-668-8173

<i>Time</i>	<i>Session Description and Objectives</i>
8:30-10:30	<p>Human Genome Testing Thomas Buttolph, M.D. <u>Level of Instruction:</u> Intermediate</p> <p><u>Session Description:</u> Describe recent trends in human genome testing and how it might influence personalized medicine.</p> <p><u>Session Objectives:</u></p> <ol style="list-style-type: none"> 1. Review basic scientific concepts of human genome testing. 2. Describe biostatistical and quality control limitations of current testing. 3. Relate examples of clinical testing, product development and regulatory decision making.
10:45-11:45	<p>Obstetric Hemorrhage: Event Planning and Training Michael Kafka, M.D. <u>Level of Instruction:</u> Intermediate</p> <p><u>Session Description:</u> This presentation will discuss the common causes, recommended care guidelines, recognition and treatment of obstetrical hemorrhage. Effective treatment team communication tools and the use of collaborative planning and training using simulations and drills to promote positive patient outcomes will be discussed.</p> <p><u>Session Objectives:</u></p> <ol style="list-style-type: none"> 1. List 3 maternal risk factors for OB postpartum hemorrhage 2. List 3 clinical "trigger" points and discuss their use to monitor and initiate treatment protocols for postpartum hemorrhage. 3. Describe the role of massive transfusion protocols (MTP) in the management of postpartum hemorrhage. 4. Explain how collaborative planning and practice using simulations and drills can promote positive patient outcomes after hemorrhage.
12:00-1:00	<p>ASCLS Update Robert Jenson, ASCLS-SD President <u>Level of Instruction:</u> Basic</p> <p><u>Session Description:</u> Update of State, Regional and National issues and happenings in ASCLS</p> <p><u>Program Objectives:</u></p> <ol style="list-style-type: none"> 1. Review issues at the State level in ASCLS-SD 2. Explain issues at the Regional level in ASCLS 3. Discuss issues at the National level in ASCLS
1:30-3:30	<p>Vampires @ Work: Making good relationships better Kostas Voutsas <u>Level of Instruction:</u> Basic</p> <p><u>Session Description:</u> Get past the drama of difficult people, improve work relationships, reduce stress, and keep calm when kittens become tigers at work. Explore solutions to managing workplace conflict to better lead and succeed. Learn how to MAKE A DIFFERENCE in your organization!</p> <p><u>Session Objectives:</u></p> <ol style="list-style-type: none"> 1. Identify the causes and costs of workforce conflict. 2. Discuss strategies for handling generation/cultural differences, chronic complainers, emotional exploders, and other difficult people. 3. Develop solutions to managing workplace conflict effectively.
